

Appendix C

Fill out this form and take it with you to your medical appointment.

You and all your family members who are not already Canadian citizens or permanent residents must fill out Appendix C and undergo and pass a medical examination, whether they will be joining you in Canada or not. Make enough photocopies of this page for your needs before you start filling the boxes.

For complete instructions about your medical examination and how to find a Designated Medical Practitioner (DMP), read the Medical Instructions section in IMM 3999, Part 2: The Immigrant's Guide.
